

From

The Director General,
Information Public Relations & Languages Department,
Haryana, Chandigarh.

To

All Departments, Boards & Corporations (enlisted on HEWP)

No. IPRDH&L(Advt.)-2023/ 2213-43

Dated Chandigarh, the

Sub.-: Minutes of the meeting regarding the integration of Indicative Advertisements related to "Works" Category tender notices to be fetched from HEWP (Haryana Engg. Works Portal) into existing ERP System.

It is submitted that a training session was organized under the supervision of Sh. Pradeep Kaushal, Sr. Technical Director, NIC Haryana on 12.01.2023 regarding the integration of Indicative advertisements related to "Works" Category tender notices of various Departments/Boards and Corporations that fetches tender details directly through API developed by HEWP, Haryana.

It is also pertinent to mention here that the development process regarding this integration has been done and is now ready for deployment in the ERP System. After implementing this feature, client department need to enter HEWP Tender Ref. No. while filling the Indent form and information regarding that particular 'ID' will be fetched from HEWP Portal. The provision to club various tender works is also provided to the client Departments/Boards and Corporations where a primary work would be selected and subsequent other works will be added by the client departments at their own level. The primary work description will be shown along with the appended 'other works' shown in numerical form.

A user manual of the work flow will be uploaded on HEWP website.

 19/1/23
Deputy Director (Advt.)

for Director General, Information Public
Relations & Languages Department, Haryana.
